Dere Street Thaw and Serve Scones

Dere Street sweet and savoury scones are made in small batches using premium, all natural ingredients. AA sweet cream butter, cream, milk, unbleached, unbromated flour, fresh citrus zests, natural spices, fruits and vegetables. We never use artificial ingredients, hydrogenated oils, preservatives or high fructose corn syrup. All of our products are trans-fat free.

Traditional Sheeted Scones

These British-style sweet and savoury scones are perfect for foodservice and retail.

Drop Scones

Larger in size than the traditional British scone, these sweet and savoury rustic scones are perfect for retail and foodservice.

Our line of sweet scones is the perfect accompaniment to your cup of tea or coffee and make a tasty anytime snack. Our line of savoury scones make great sandwiches, are perfect for bread baskets and are a delicious accompaniment to soups and stews.

Whether you are a supermarket, specialty food store, resort, inn, university, private chef, country club or a caterer, we have a scone for you!
