Dere Street Irish Soda Scones

Dere Street's Irish Soda Scones are made in small batches using premium, all natural ingredients. AA sweet cream butter, cream, milk, unbleached, unbromated flour, midget raisins and a hint of caraway seeds. Soft and buttery on the inside, crusty on the outside, Dere Street's Irish Soda scones are delicious on their own but feel free to slice and slather with some butter (preferably Irish) for a little taste of heaven. Add a warm fire and a cup of tea while you're at it!

Dere Street Irish Soda Bread

Dere Street's delicious Irish Soda Bread is even better than the one your grandmother made and you cherished for years. It's dense, yet soft and has the most incredible crusty exterior. Buttermilk and cold butter are the secret to its delicious success! It's delicious on its own or slathered with good Irish butter.

Dere Street Irish Raisin Tea Cake

Inspired by our delicious Irish Soda bread, Dere Street's Golden Irish Raisin Tea Cake is an easy dessert to serve with your St. Patrick's Day Corned Beef and Cabbage. It's also a homey, delicious Irish baking recipe that's perfect any time of year. This sweeter version is studded throughout with raisins and sprinkled with sugar. It's delicious on its own or slathered with good Irish butter.
