

IRISH SODA BREAD BAKING INSTRUCTIONS
PRE-HEAT OVEN BEFORE BAKING

Not necessary to defrost. Place loafs on pan lined sheeted trays. Maximum of 6 loafs per full sized sheet pan. Bread should be lightly golden and is baked when an inserted knife comes out clean.

Convection Ovens 275° 60 minutes
Rotating Rack Ovens 300° 60 minutes

Since individual ovens vary please make necessary adjustments
